Renee, LGMS news for you.

[Looking for a risk management conference specifically for local governments?](#)

Author: Nick Rossmann, Senior Risk Consultant, LGM Liability

Local government risk management professionals looking for a relevant, topical and engaging professional development opportunity are strongly encouraged to consider attending the Local Government Risk Management Conference at the Sofitel Wentworth in Sydney on 24-25 August 2023. Hear from a first-class line-up of presenters providing insights into contemporary risk management issues and practices, with topics specifically tailored to the unique needs and circumstances of the local government sector. [Read more](#).

RISK AWARE

AN LGMS PODCAST

LISTEN NOW 

RISK SPECIALISTS | UNRIVALLED VALUE | OWNED BY MEMBERS

[A Council CEO's perspective on risk](#)

Episode two of the Risk Aware podcast is now available. Hosted by our Regional Risk Coordinators, episode two features Terry Brennan, Burdekin Shire Council CEO and LGMS Board Member, and explores strategic and operational risk management for local government, organisational culture, the Global Risk Report and the JLT Public Sector Risk Report, all through the lens of a local government CEO. [Listen here](#).

FOCUS GROUP

[Updated Fleet Risk Management Guide 2023 now available](#)

The LGMS Fleet Risk Management Guide 2023 has recently been reviewed and updated to ensure it remains a current and relevant source of information to support members' fleet management practices. [Read the guide](#).

[See you in Cairns – LGRMFG meeting 3-4 August 2023](#)

We are looking forward to welcoming you and your council teams to the next LGRMFG meeting, which is proudly sponsored by LGMS and hosted by Cairns Regional Council on 3-4 August 2023. [Read more](#).

[What are the WHS legislative changes from June 2023?](#)

Author: Hal Waddington & Lesley Harpeng, WHS, LGMS

There have been many changes in the WHS legislative space recently, with two new Queensland Codes of Practice coming into effect within the last two months and 31 recommendations accepted from Safe Work Australia's 2018 [review of the model WHS laws](#). All of these instruments will require careful review and changes to your WHS management systems. [Read more](#).
